Notes:

Meeting called by selectboard to address raising revolving inspectors account limit. Bruce Cullett, Verne Leach, Ed Munch, Kim Leach and Caleb Mitchell also attended.

Town counsel had supplied info regarding regulation regarding the Town's actions necessary to raise the limits on the individual Inspectors accounts. Action as raising the account limits was due to the inspections for the new solar generating site in Town. Being that inspectors fees were based on cost of construction, the size of this project generated fees in excess of the current limits as set by Town meeting. Regulations allow for temporary raising limits for the accounts until next town meeting. Inspection costs to date were Building Inspector fees of \$28,113.72 and Electrical fees of \$16,046.03. Finance Committee voted 2 to 0 with one abstention to agree with selectboard's vote to raise the limits until next annual town meeting. Meeting adjourned at 6:15 PM. Meeting was recorded by Verne Leach.
